INSTRUCTIONS FOR CERTIFICATION OF STATE OF LEGAL RESIDENCE

The purpose of this certificate is to obtain information with respect to your legal residence/domicile for the purpose of determining the State for which income taxes are to be withheld from your "wages" as defined by Section 3401(a) of the Internal Revenue Code of 1954. PLEASE READ INSTRUCTIONS CAREFULLY BEFORE SIGNING.

The terms "legal residence" and "domicile" are essentially interchangeable. In brief, they are used to denote that place where you have your permanent home and to which, whenever you are absent, you have the intention of returning. The Soldiers' and Sailors' Civil Relief Act protects your military pay from the income taxes of the State in which you reside by reason of military orders unless that is also your legal residence/domicile. The Act further provides that no change in your State of legal residence/domicile will occur solely as a result of your being ordered to a new duty station.

You should not confuse the State which is your "home of record" with your State of legal residence/domicile. Your "home of record" is used for fixing travel and transportation allowances. A "home of record" must be changed if it was erroneously or fraudulently recorded initially.

Enlisted members may change their "home of record" at the time they sign a new enlistment contract. Officers may not change their "home of record" except to correct an error, or after a break in service. The State which is your "home of record" may be your State of legal residence/domicile only if it meets certain criteria.

The formula for changing your State of legal residence/domicile is simply stated as follows: physical presence in the new State with the simultaneous intent of making it your permanent home and abandonment of the old State of legal residence/domicile.

In most cases, you must actually reside in the new State at the time you form the intent to make it your permanent home. Such intent must be clearly indicated. Your intent to make the new State your permanent home may be indicated by certain actions such as: (1) registering to vote; (2) purchasing residential property or an unimproved residential lot; (3) titling and registering your automobile(s); (4) notifying the State of your previous legal residence/domicile of the change in your State of legal residence/domicile; and (5) preparing a new last will and testament which indicates your new State of legal residence/domicile. Finally, you must comply with the applicable tax laws of the State which is your new legal residence/domicile.

Generally, unless these steps have been taken, it is doubtful that your State of legal residence/domicile has changed. Failure to resolve any doubts as to your State of legal residence/domicile may adversely impact on certain legal privileges which depend on legal residence/domicile including among others, eligibility for resident tuition rates at State universities, eligibility to vote or be a candidate for public office, and eligibility for various welfare benefits. If you have any doubt with regard to your State of legal residence/domicile, you are advised to see your Legal Assistance Officer (JAG Representative) for advice prior to completing this form.

I certify that to the best of my knowledge and belief, I have met all the requirements for legal residence/domicile in the State claimed above and that the information provided is correct.

I understand that the tax authorities of my former State of legal residence/domicile will be notified of this certificate.

RESTRICTIONS ON PERSONAL CONDUCT IN THE ARMED FORCES

1. Military life is fundamentally different from civilian life. The military has its own laws, rules, customs, and traditions, including numerous restrictions on person behavior, that would not be acceptable in civilian society. These are necessary because military units and personnel must maintain the high standards of morale, good order, discipline, and unit cohesion that are essential for combat effectiveness.

2. The Armed Forces must be ready at all times for worldwide deployment. Military law and regulations, including the Uniform Code of Military Justice, apply to service members at all times, both on base and off base, from the time the member enters the service until the member is discharged or otherwise separated from the Armed Forces.

3. Members of the Armed Forces may be involuntarily separated before their term of service ends for various reasons established by law and military regulation such as:

- a. A member may be separated for a pattern of disciplinary infractions, a pattern of misconduct, commission of a serious offense, or civilian conviction.
- b. A member who has been referred to a rehabilitation program for personal drug and alcohol abuse may be separated for failure through inability or refusal to participate in, cooperate in, or successfully complete such a program.
- c. A member may be discharged by reason of parenthood, if it is determined the member, because of parental responsibilities, is unable to perform his or her duties satisfactorily or is unavailable for worldwide assignment or deployment.
- d. A member may be separated for violation of laws and regulations regarding sexual conduct of members of the Armed Forces, for example, engaging in, attempting to engage in, or soliciting another to engage in such an act; for stating that he or she is homosexual or bisexual, or words to that effect; or for marrying or attempting to marry an individual of the same sex.
- e. A member may be separated for failure to meet service weight control standards or physical fitness standards.
- f. A member may be separated for harassment of or violence against any service member.

4. **POLICY** - A member of the Armed Forces shall be separated from the Armed Forces under regulations prescribed by the Secretary of Defense if one or more of the following findings is made and approved in accordance with procedures set forth in such regulations:

a. That the member engaged in, attempted to engage in, or solicited another to engage in a homosexual act or acts unless there are further findings, made and approved in accordance with procedures set forth in such regulations, that the member has demonstrated that:

- (1) Such conduct is a departure from the member's usual and customary behavior
- (2) Such conduct, under all the circumstances, is unlikely to recur;
- (3) Such conduct was not accomplished by use of force, coercion, or intimidation
- (4) Under the particular circumstance of the case, the member's continued presence in the Armed Forces is consistent with the interests of the Armed Forces in proper discipline, good order, and morale; and,
- (5) The member does not have a propensity or intent to engage in homosexual acts

b. That the member has stated he or she is a homosexual or bisexual, or words to that effect, unless there is a further finding, made and approved in accordance with procedures set forth in the regulations, that the member has demonstrated that he or she is not a person who engages in, attempts to engage in, has a propensity to engage in, or intends to engage in homosexual acts.

c. That the member has married or attempted to marry a person known to be of the same biological sex

II. STATEMENT OF UNDERSTANDING

I understand:

My eligibility is based on my marital and dependency status and failure to claim all my dependents may result in my involuntary separation from the Air Force. I have read and understand the following definitions the Air Force considers a dependent for accession purposes. 1. A spouse. 2. Any person under the age of 18 for whom the applicant or spouse has legal or physical custody, control, care, maintenance, or support. includes children from a previous marriage, a relative by blood or marriage and stepchildren or adopted children of the applicant or spouse. 3. Any unmarried natural children of the applicant or spouse regardless of current residence. For male applicants, the term natural child includes those born out of wedlock. 4. Any person who is dependent upon the applicant or spouse for their care, maintenance, or support regardless of age. (5) FOR MALE APPLICANTS ONLY. An unborn child of the spouse or one claimed by or a court order determines is his.

It is my responsibility to provide legal documents (marriage certificate, birth certificate, etc.) to substantiate my dependent(s) and it is my responsibility to support myself and my dependent(s) on the pay and allowances I receive. I also understand arrangements for care of my dependent(s) is my personal responsibility and will not interfere with my assigned Air Force duties, including shift work, weekend duty, temporary duty away from my assigned duty station and short notice deployments and evacuations. I further understand my dependent(s) will not prevent me from being available for worldwide assignment and failure to perform my dependent(s) may result in disciplinary action, to include involuntary discharge.

If applying for an enlisted program, my dependent(s) are not permitted to accompany me during basic training, and it is recommended they not accompany me during any technical training. If applying for an officer program, it is strongly recommended my dependent(s) not accompany me while attending training. I also understand government family quarters are assigned based on application date, grade, date of grade, number of dependents and availability.

Military couples with dependent(s) are required to make dependent care arrangements that allow both members to meet all military obligations and duties. I also understand each member is considered to be serving in his or her own right and must be available for worldwide assignment regardless of marital or dependent status. Additionally, I understand married Air Force couples may apply for a joint spouse assignment but there is no guarantee they will be assigned together.

III. REMARKS**IV. APPLICANT CERTIFICATION**

I have read the information on this form and understand how it applies to me and my dependent(s). I also understand the needs of the Air Force come first and I may be involuntarily discharged should I violate any of these provisions. I certify the information on this form is of my personal knowledge and is true and correct and my recruiter did not advise me to conceal any dependency information.

Statement of Understanding for Air Force Dependency Policy
AFROTCI 36-2011, 15 JULY 2010, Figure 4.3.

I, _____, have been briefed on the Air Force policies concerning family care responsibility and family care responsibility as an AFROTC retention standard. (A family member is any person over whom I have legal or physical custody or control, or who relies primarily upon me for their care, maintenance, or support regardless of age). In particular, I understand the following:

a. **(Non-contract Cadet)** If I become/am unmarried (to include a common-law spouse) or marry to a military member, and I have legal or physical custody of any person incapable of self-care; or, married to a civilian spouse and wish to enlist in the pay grade of E-3 or lower and have legal or physical custody of two or more family members incapable of self-care, I do not meet Air Force enlistment standards. In such a case, I will be released from the AFROTC program. NO waivers are authorized.

b. **(Contract Cadet)** If I am unmarried (to include a common-law spouse) or married to a military member (including another contract AFROTC cadet), and become responsible for a family member or family members; or, married to a civilian spouse and enlisted in the pay grade E-3 or lower and have legal or physical custody of two or more family members incapable of self-care (through birth, marriage, court determination of parental or guardianship responsibility, divorce, or other means), I can continue in AFROTC only if granted a waiver by HQ AFROTC/RRFP. I must create an adequate family care plan in accordance with Air Force Instruction 36-2908. If I am unable or unwilling to create or maintain such a family care plan, I will no longer meet AFROTC retention standards. In such a case, I would then be subject to disenrollment from AFROTC for failure to maintain military retention standards. If I am disenrolled, I will also be subject to recoupment of my scholarship benefits.
